

CHICKEN FOOT

BEGINNING:

- Played with double nine dominoes
- Five players per table
- Each player draws 11 dominoes
- No bone pile
- If needed due to time constraints, the game will be shortened to four (4) hands and a play off between the winners of each game set.

PLAY:

- All four (4) corners of the beginning double must be completed prior to any other move.
- Play of any double, except starting tile for that round, is optional.
- When a player cannot make a move, they "pass" their turn.
- All doubles played after the beginning double are placed perpendicular, and "Chicken Foot" is announced.
- When "Chicken Foot" is on the board, three (3) dominoes must be played diagonally on it prior to any other move.

HAND COMPLETION:

- When a player has played all 11 of his/her dominoes, or when no player has a move.

SCORING:

- Players with un-played dominoes add up their total value.
- One half blank counts 10.
- Double blank counts 20.
- Low score wins the hand.

GAME COMPLETED AFTER TEN HANDS

CHAMPION – Lowest accumulated score wins.
